Comments: NO.... to the Jackson Mountain Gravel Mine and Rock Crushing Operation

The proposed site is only 1900 ft from my neighborhood in SJRV

Rock Crushing is known to have Health effects. There would be impact on Wildlife

The Noise would be awful.

NO.... to 25 Ton Dump Trucks on Jackson Mountain every 24 minutes (M-F)

Not safe for Bike Recreation.

There is over 1,000,000 acres in San Juan National Forest, we (San Juan River Village Residents) cannot understand why this site that so close to homes, was chosen in the 1st place!
