

Data Submitted (UTC 11): 1/25/2023 1:29:57 AM

First name: Screams with Bears

Last name: Huttula

Organization:

Title:

Comments: I will be really sad to see this go. If there is any way to preserve it structurally, even to leave it up available just for photographs, please do! As a frequent hiker in this area it is a favorite spot to return to and the barn is part of what makes it so special.
