Comments: I am a prospective 2023 thru hiker, I've been looking forward to staying at this shelter since I first started planning to hike the trail. If there's any way to donate directly to support a new build of this style of shelter nearby or to support the reinforcement of the current shelter I would love to do so. Thank you very much for all you do to support the trail and thank you for the care your organization puts into providing Americans with great experiences in the outdoors.
