Comments: Okay so additional trails I like, getting the buses out of the closest parking lot helps a lot.

Please please do not allow boats of any kind on Mendenhall lake. It's completely the wrong message to send in my opinion. Visitors are well served with interpretive trails. We shouldn't even be discussing commercializing boat rides up to the rapidly receding glacier.

I've lived in Juneau for 70 years and am 3rd generation here. I saw the first huge tourist ship come to Juneau when I was in high school. Everywhere is getting packed with tourists. Please keep the visitors off of the lake.

Thankyou
