Comments: It wasn't clear where to send comments regarding Mountain Valley Pipeline, so I am sending this to you. I live close to the pipeline, near Jefferson National Forest. I have been consistently disappointed in how MVP has over and over again, been fined and criticized for the awful stewardship they have exhibited with our Forest and environment. I urge the USFS to select Alternative 1 - No Action, because the Mountain Valley Pipeline is inconsistent with the Forest Plan and would require 11 amendments and exceptions to be made for MVP. Moreover, the Jefferson National Forest itself was established to restore and protect water quality and water resources. The pipeline is in opposition to this purpose. I urge the USFS to not amend the Jefferson National Forest Plan, and to not provide concurrence to the BLM for a ROW/TUP. Sincerely, Sandra Schlaudecker
