First name: Richard

Last name: DeCommer

Organization:

Title:

Comments: NO! I stayed in the barn and it can be repaired! My comment is: Why are you even asking for comments when your own letter states that this project is not subject to administrative review and appeal!!!

Those of us who use it have no chance of changing the ruling??? I am a contractor and know that large buildings can be brought back into code all it takes is time and money. Not destruction.
