First name: Donald

Last name: Jones

Organization:

Title:

Comments: This land belongs to the citizens of the United States .

We have the US Forest Service in place to protect the National Forest for the use of citizens, beautiful landscape and wildlife habitat. This land isn't designated for a Private Company to make money with on our dime. Do your job stand with the citizens of the United States and do not let this Private company (Mountain Valley Pipeline) destroy our National Forest for their Personal Benefit.
