First name: Bob

Last name: Kimber

Organization:

Title:

Comments: I feel it is paramount to consider not only the health, but also how this affects everything we do on jackson mountain.

Nobody wants a commercial operation right next to where they live, and to have it right next to SJRV, with such a high density of people is reckless, and unnecessary.

I speak for myself and my neighbor, John Frakes, regarding this matter.

Bob Kimber
