Data Submitted (UTC 11): 1/31/2023 4:22:58 PM First name: Mary Last name: Dorais Organization: Title: Comments: I object to the trail proposed from Redstone to McClures Pass. This trail is a solitary area, which should be reserved for walkers/hikers only. Having bicycles added to this trail only further invades our wildlife.

We have enough trails already, and do not need to add "more" human invasion.
