Sir or Madame;

My name is Gary W. Hicks. I am the Phelps County Associate Commissioner, District 2.

The proposed project is within the district I represent.

I commend the department in its forestry management and the utilization of the natural resources in Phelps County.

My concern is damage to county roads and ditches by heavy log trucks.

Nothing new and I really do not have any real solution.

Perhaps the loggers should post a bond to repair county roads they damage.

Gary W. Hicks, Phelps County Associate Commissioner, District 2
