Title:

Comments: To whom it may concern:

This is to voice my strong objection to the Mountain Jackson gravel pit. Not only will it destroy one of the best hiking and biking avenues/recreational areas but it will further displace wildlife (already stressed enough from the recent forest clearing). Jackson Mountain Road is not suited for heavy truck traffic. Pollution will ensue.

There has to be another location that suits this proposal more than a rare pristine forest.

Thank you. Elisabeth Rimann
