Comments: I urge the USFS to select Alternative 1 - No Action, because the Mountain Valley Pipeline is inconsistent with the Forest Plan and would require 11 amendments and exceptions to be made for MVP. Moreover, the Jefferson National Forest itself was established to restore and protect water quality and water resources. The pipeline is in opposition to this purpose. I urge the USFS to not amend the Jefferson National Forest Plan, and to not provide concurrence to the BLM for a ROW/TUP. USFS should not limit their review to "issues identified by the Court." USFS has not provided sufficient information including needed assessment reports, monitoring reports, etc.
