Title:

Comments: I live near the Jefferson National Forest and enjoy the scenic hikes and beautiful flora and fauna in this forest. I am appalled by the sudden plan to change longstanding environmental law to allow a dangerous pipeline into a protected forest. If the MVP were allowed to cross the Jefferson National Forest, this would not comply with the 2012 USFS Planning Rule's mandate "to maintain or restore the ecological integrity of terrestrial and aquatic ecosystems and watersheds in the plan area." (Wild Virginia et al v. U.S. Department of Agriculture p. 28)
