Comments: My ten cents worth:

Please don't forget the local visitor.

Move the bus parking lot to the back.

Electric shuttles from bus parking lot for those that can't or don't care to walk are a good idea.

Don't overdo the trails. I see that most of the people just walk a short way to take pictures, then they come back.

Absolutely NO shoreline trail.

Absolutely NO boats on the lake.

No building blocking the view.

Don't turn this place into Disney Land. The cruise ship passengers have that on the boat.

They don't care about protecting our treasures, it's all about the pictures.

Then they leave and will not come back.

WE DO COME BACK AND HAVE A VOICE.

Thanks for listening to it.
