Comments: I'm a Los Angeles mom who is terrified about the climate crisis, as well as worsening pollution. I'm writing to beg you to block construction of the Mountain Valley Pipeline in the Jefferson National Forest.

This project has already severely damaged clean water sources across Appalachia, threatening local drinking water supplies and resulting in over 300 environmental infractions. Please protect the Jefferson National Forest and select Alternative 1, the No Action alternative, and reject any changes to the Forest Plan. Let's save our wild resources for our children, PLEASE.

Thank you.
