Title:

Comments: I'm a US citizen in Illinois writing to ask you to block construction of the Mountain Valley Pipeline in the Jefferson National Forest. Over 300 environmental infractions have already resulted from this project, which continues to threaten further damage to drinking water sources in the Appalachian region. Pleas protect people and wildlife in and around the Jefferson National Forest and select Alternative 1, the No Action alternative, and reject any changes to the Forest Plan. Thank you for your time.
