Comments: Even though I'm from Michigan [48236], I urge you to block construction of the Mountain Valley Pipeline in the Jefferson National Forest.

Have you ever been there? It's a treasure.

I've read that this project has already severely damaged clean water sources across Appalachia, threatening local drinking water supplies and resulting in over 300 environmental infractions. I'm from Michigan. I know what happened in Flint, Michigan, and it wasn't pretty. And even though I'm an independent, our Michigan officials flubbed.

Please don't flub. Protect the Jefferson National Forest and select Alternative 1, the No Action alternative, and reject any changes to the Forest Plan. Thank you.
