Comments: Dear USDA Forest Service,

Here is an issue dear to my heart and vital to a healthy environment. I'm contacting you from 90703 urging you to block construction of the Mountain Valley Pipeline in the Jefferson National Forest. This project has already severely damaged clean water sources across Appalachia, threatening local drinking water supplies and resulting in over 300 environmental infractions. . I want you to protect the Jefferson National Forest and select Alternative 1,(the No Action alternative), and REJECT any changes to the Forest Plan. Thank you.
