Comments: Hello, I am a resident of 95124. I am writing to you to request that you block construction of the Mountain Valley Pipeline in the Jefferson National Forest.

The Mountain Valley Pipeline project has already severely damaged clean water sources across Appalachia. It threatens local drinking water supplies and has already caused over 300 environmental infractions. Please protect the Jefferson National Forest and select Alternative 1, the No Action alternative, and reject any changes to the Forest Plan. Thank you.
