Comments: Hell NO to mining for gold in Hells Canyon or anywhere in the Black Hills and Wyoming United States Forest Service Areas... Hell NO to any permits to "Newark Exploration Drilling Project"... District Ranger, Rob Hoelscher and the United States Forest Service of the Black Hills WORKS FOR THE PEOPLE, and are to be protecters of Nature, the wild life, land, water Human and ALL concerned with causing no harm. A Categorical Exclusion... Seriously... There ARE extensive conditions concerning Hell's Canyon that mining would cause EXTENSIVE HARM for all life living in the area...
