First name: Alistair

Last name: Elliott

Organization: Vantex Service Corp

Title:

Comments: I own all the lots from highway 160 to Descente on Alpine Drive. I am currently about to complete my house and am moving there permanently. I do not want the danger, the environmental impact, nor the road noise the gravel pit vehicles will produce. Please do not build this gravel pit at this location it will destroy the beautiful surroundings. Please feel free too email with any questions. My properties are under Stott Investments.
