Comments: 1) Please bring a machine up the Goodwin Lake access road and make it navigable for all vehicles. It doesn't have to be perfect - just better than its existing, appalling state. That's a great hike, and cars pile up lower down.

2) Curtis is extremely popular, as you know. Anything that can be done to improve that area for picnickers and campers would be great. Pit toilets, easier and more parking, and additional tent sites would be much appreciated.

Thank you!
