First name: Robert

Last name: Morris

Organization:

Title:

Comments: Robert is concerned with current shooting and hunting going on North of his property (Compartment 229, Stands 63 and 64) on Forest Service. He is worried that the public are shooting towards his property when hunting and when shooting at targets. He is also concerned about the noise the shooting area will create in Kitchens Branch and believes it will only increase with more people going there to shoot.
