Hi Mary,

We just wanted to get in contact before the end of the comment period. We live up above Maysville on County Road 224.

9601 County Road 224 Salida CO 81201

There are some campsites on F.S. that have become more established just above where we live. There is a meadow and sites where the Colorado trail runs through. We have just been concerned as there has been a big increase in the use of this area in the past few summers and it ends up being a lot of people making campfires just a couple hundred yards from where we live. Last year the area showed up on Google maps as a campground "Lost creek". And we had lots of people driving through our private property looking for the campground (even had a couple people stop and start setting up camp on our land). I don't believe this is supposed to be an official campground but wanted to check with someone about it. Thanks for your help, Caleb and Deanna Hathaway
