First name: Gary

Last name: Pax

Organization:

Title:

Comments: I am in favor of this trail, because, as a disabled veteran, from my exposure to agent orange in Vietnam and resulting in Parkinson's disease, people like me can use all the help we can get in accessing the wonderful environment that we live in. For years locals have use this as their personal playground year-round, so this is really just nymby attitudes to keep the rest of us out.
