Comments: Please Avoid Clearcutting and Road Construction at River Complex

Dear Daniel Fenstermacher,

I would like to add my voice to those who are opposed to your proposed post-fire logging plans for the Taylor Creek area in the River Complex fire salvage proposal.

Instead of salvage logging backcountry wildlands in the headwaters of the Salmon River, please focus your efforts on roadside hazard treatments and on the Wildland Urban Interface zone for the Scott Valley.

No more clearcutting our National Forests.....Please....!

Thank you for considering my concerns,

Sincerely,

Mary O'Brien
