Comments: From: Kevin Proescholdt Sent: Wednesday, March 22, 2023 11:36:43 AM To: Probert, Cheryl - FS, ID Subject: [External Email] Please extend Hungry Ridge comment deadline so public can access Dear Supervisor Probert As a Minnesotan who cares about the national-interest lands on the Nez Perce-Clearwater National Forests, please extend the Hungry Ridge SEIS comment period to this fall. In a reanalysis for the Hungry Ridge logging project, the Forest Service has found many more acres of what it claims is old growth, but because the project area is still snowed in, the public cannot access these areas to verify these claims. Please wait for the snows to melt so the public can verify your agency's representations. Thank you.-- Kevin Proescholdt
