Comments: I am EXTREMELY IN FAVOR of doing all you can to help clean up the forests.

To accomplish this I am in FAVOR of prescribed zBurns wherever possible

I am in FAVOR of improving Forest Road Maintenance to allow for fire fighting access, cleaning and thinning operations, firewood cutting etc

I am in FAVOR of getting back to having Forest Trails Maintained and improved for Recreation and Fire Fighting Access.

Closing off old roads by throwing dirt and rocks and using an excavator to obliterate and jumble up trees / rocks/ dirt etc is doing NO GOOD -- Most of these old roads being reclaimed have become totally unusable anyway and are already reclaimed by large trees growing in them. Use this funding to maintain and improve existing roads

PLEASE DO THIS THE FOREST IS OVERRUN WITH DEADFALL
