Comments: I am writing with my total support of the bike trail project in Mena, AR. It will transform our area economically and offer opportunities never imagined before in our community. It will allow Mena and Polk County to become more diverse and make this a destination not only for tourism but also for new residents to enjoy life in the Ouachita's.

We are so excited for the possibilities that this project presents. I have lived in Mena for 40 yrs and this is, without a doubt this has more potential than anything I have ever seen in our area.

Thank you.
