Comments: Please BUILD THIS PARK with all four chairlifts!

If you build this with even one chair lift, I and my family will GLADLY come there as much as we possibly can.

This is SUCH A GREAT IDEA! This is only four hours from DFW and many of us already drive 3.5 hours to Spider Mountain, and it only has 400 ft of elevation and one chair lift.

Your part would be so much better and only 30 minutes further away, which makes this a complete no-brainer.
