Comments: Thank you for the opportunity to weigh in on the Ward Lake Recreation plan. I have only one objection to the proposals mentioned. I do not feel that a cabin at Perseverance Lake is warranted. I feel the two tent platforms are sufficient and a cabin so easily accessed by foot and yet not frequented by authorities will only invite the potential for vandalism. There used to be a cabin there and it was eventually vandalized to destruction. Also, as a frequenter of the lake I feel that without trail extensions around the lake, which is not proposed and would be very costly, the current usage is pretty much to capacity now. Thank You
