Comments: I support the USDA Forest Service request for Pactola Reservoir-Rapid Creek Watershed Withdrawal #NP-3479. All appropriate efforts should be made to protect our county's water. To protect cultural and natural resources and municipal water supplies for Rapid City and Ellsworth Air Force Base I would support even more extensive action than what is being proposed here, to protecting the sources of water that feed this area. Please approve this withdrawal request to ensure mineral extraction never contaminates this water system.
