Comments: Hello,

I am writing to give support to the assessments of the Crested Butte Mountain Bike Association.

I think their assessments are well thought out and parallel my own experiences of the trails.

In particular I am very much in support of Option 1 for the Reno Divide Road Parallel Trail. I have been scared witless by cars going both up and down that road. I can't believe there hasn't already been an accident.

Also, I support Option 1 for the Dr. Park reroute. The damage that is happening to that trail, just isn't going to get any better, and a higher trail really would be better.

Thank you for taking the time to read my comments.
