Comments: It's hard to imagine what kind of shape the North Valley summer trails and camping amenities would be like without the efforts of the Crested Butte Mountain Bike Association and the Crested Butte Conservation Corp. Over the years, they have become indispensable community partners.

The MetRec staff and board sincerely appreciate your consideration of their North Valley Trails Proposal. Moreover, we appreciate your commitment to caring for the land and serving people. Our public lands and you and your work are vital assets to our citizens' health and well-being.

Thank you.
