Comments: Connecting Minturn to the Eagle Valley Trail would be amazing! this would connect all the trail systems in town including two elk, game creek, grouse, meadow, etc! It would also allow Minturn residents (majority of which are full time) to commute SAFELY to work/school to Vail, Avon, and Edwards and it would allow Eagle Co residents to bike into Minturn and support the awesome locally owned businesses. It would also allow our children to ride bikes to Vail and Avon SAFELY on an all-bike path route. Huge fan! thanks for all the hard work for those involved on this project! I look forward to volunteering.
