First name: Gregory

Last name: Pegues

Organization:

Title:

Comments: My name is Greg Pegues and I support the Greens Creek Mining Company's effort to expand the tailing facility to further the longevity of the mine. Specifically, Alternative D.

I am a lifelong Alaskan and have seen the opportunities and benefits that this mine has brought to the Southeast Alaska people and economy of this region. I wish for these opportunities to continue into the future.

Thank you,

Greg
