Last name: Knutson

Organization:

Title:

Comments: To whom it may concern, I can't help but feel that these comments are nothing more than a formality, as we have already been sold out. And more than likely, it's to a foreign country hiding behind a U.S. State. We should be protecting our beautiful Black Hills and especially our waters. Water is the most important resource anyone could have. There is no going back once it's contaminated.
