First name: Tessa

Last name: Allen

Organization:

Title:

Comments: I absolutely oppose this project. This will open the doors to many more companies to destroy our home in the name of profit. Our natural resources, in terms of undisturbed natural areas for the purpose of recreation, far exceed the profitability of mining to this community. Mining this land will not only destroy it physically but will also destroy the spirit of our people and our Black Hills. Do not sell our joy and love for another man's gain.
