Comments: I'm against any drilling by the Spearfish canyon. South Dakota codified law section 46-1-3 - Water as property of people-Appropriation of right to use It is hereby declared that all water within the state is the property of the people of the state, but the right to the use of water may be acquired by appropriation as provided by law.

The Navigable Waters Protection Rule regulates these waters and the core tributary systems that provide perennial or intermittent flow into them. The final rule fulfills Executive Order 13788 and reflects legal precedent set by key Supreme Court cases as well as robust public outreach and engagement, including pre-proposal input and comments received on the proposed rule.

As a American National, I declare that the forest service, 'Don't have no right to contaminate our water by allowing drilling by Spearfish canyon.
