First name: Buddy

Last name: Seiner

Organization: Black Hills FlyFishers

Title: Board Member

Comments: On behalf of our 423 past and current members, our volunteers, and all of our supporters around the country, the Black Hills Flyfishers is strongly opposed to the Golden Crest Exploration Drilling Project in Spearfish Canyon. The clean water resources and wildlife habitat that exists in this area are too valuable to risk for supplementing Solitario Zinc Incorporated's bottom line and shareholder report. Thank you for shutting this project down before it begins.
