Comments: This project must be analyzed with an Environmental Impact Statement that includes alternatives to the Proposed Action based on input received from public comments. The range of alternatives should include alternatives without the base-to-base gondola and without the water tank and booster station. The families who live in this area will not benefit from these new projects proposed by the Taos Ski Valley. I do not support any new projects proposed by the Taos Ski Valley. I do not support Taos Ski Valley threatening public access to "Williams lake" and "Wheeler Peak".
