First name: Nathan

Last name: Paerels

Organization:

Title:

Comments: I'm all for progress and growth, however the mining in Spearfish Canyon, should NOT be approved. Spearfish is a cultural and resident hub. We need the cultural hub (places people want to live, raise families, etc.) to feed economic growth in growth in Deadwood, Lead, etc. Please DONT ruin a beautiful place people want to live. These people are often the workers too.
