Comments: Good afternoon,

I would like to see an EIS on this proposed project.

I object to gold mining in the black hills for many reasons. We have a lot of cattle and animals in the proposed location. Also, recreational trails that won't be able to be used and enjoyed by the community. And finally, Spearfish has clean water and I don't want to see our water to be contaminated as a result of gold mining and exploration in the black hills.

Thank you!
