First name: Whitney

Last name: Driscoll

Organization:

Title:

Comments: Please no mining in this area. I've lived here for 34 years and spent a lot of time hunting, fishing, bike riding, hiking and skiing. It's getting so hard to find places in the Black Hills that provide solitude and outdoor recreation that doesn't include noise from industry, autos, and ATVs. This is just another attempt to rape and pillage the Black Hills out of another peaceful place.
