Title:

 $Comments: I \ am \ opposed \ to \ any \ drilling \ in \ or \ around \ Spearfish \ Canyon, \ even \ drilling \ considered \ exploritory \ and$ 

non-invasive. Please block Golden Crest's attempts to expoit Spearfish Canyon for profit!

If they are allowed to drill and subsequently find gold, it will be much more difficult to stop them from seizing mineral rights and ruining our beautiful, local treasure. Nip it in the bud!
