Comments: To Whome It May Concern,

As a US Taxpayer and citizen, I fully support the Forest Service to say YES to the Pactola Reservoir-Rapid Creek Watershed Withdrawal.

Further, I request that the Forest Service to do an Environmental Assessment and a Finding of No Significant Impact once completed, since there will be no significant impact to the land once the miners are forced to withdraw.

Preserving this natural body of water from toxic pollutants, and respecting the sacred lands of the Lakota People is of utmost importance to me and to American legacy.

Thank you for doing the right thing!

Sincerely,

Lisa Chipkin
