Title:

Comments: I support the Forest Service saying YES to the Pactola Reservoir-Rapid Creek Watershed Withdrawal. I ask the Forest Service to do an Environmental Assessment(EA). I ask the EA concludes a Finding of No Significant Impact(FONSI) as it is clear there will be no significant impact to the land once the miners withdraw.

I not only support protecting water quality, keeping the water free from toxic pollutants, but also respecting the sacred lands and cultural values of the Lakota People.
