Comments: I want the Forest Service to say YES to the Pactola Reservoir-Rapid Creek Watershed Withdrawal.

Please have the Forest Service do an Environmental Assessment (EA).

I am asking for Finding of No Significant Impact (FONSI) when the EA has been completed.

I want to ensure the water quality and cultural values, such as keeping the water free of toxic pollutants, respecting the sacred lands of the Lakota People, and preserving the site for recreation.

I support expanding the area covered by the withdrawal to include all federal lands in the Black Hills.
