Comments: The Forest Service should say YES to the Pactola Reservoir-Rapid Creek Watershed Withdrawal.

The Forest Service should do an Environmental Assessment (EA).

Please make a Finding of No Significant Impact (FONSI) when the EA has been completed. There will be no significant impact to the land once the miners are forced to withdraw!

Water is life, so high water quality is a must, with no toxic pollutants. Also, we need to respect the sacred lands of the Lakota People, and preserve the site for recreation.
