Comments: Regarding the Pactola Reservoir-Rapid Creek Watershed Withdrawal, I request that the Forest Service say "Yes" to the Withdrawal, and that the Forest Service do an Environmental Assessment (EA) of that area. When the EA has been completed, I also request a Finding of No Significant Impact (FONSI) to be done. It is urgent that the waters of this beautiful area be kept clean and free of toxic pollutants. And that the sacred lands of the Lakota People be respected. Thank you for your attention to this heartfelt request.
